conference report on the role of the private sector in employment policy in the usa conference held in washington 1975 october 22 and 23

this study offers a novel view of conference interpreting by looking at eu interpreters as a professional community of practice in particular duflou's work focuses on the nature of the competence conference interpreters working for the european parliament and the european commission need to acquire in order to cope with their professional tasks making use of observation as a member of the community in depth interviews and institutional documents she explores the link between the specificity of the eu setting and the knowledge and skills required her analysis of the learning experiences of newcomers in the professional community shows that eu interpreters competence is to a large extent context dependent and acquired through situated learning in addition it highlights the various factors which have an impact on this learning process using the way dutch booth eu interpreters share the workload in the booth as a case duflou demonstrates the importance of mastering collaborative and embodied skills for eu interpreters she thereby challenges the idea of interpreting competence from an individual cognitive accomplishment and redefines it as the ability to apply the practical and setting determined know how required to function as a full member of the professional community

these records include the texts of the new act and the regulations as adopted by the diplomatic conference the text of the basic proposal as presented to the diplomatic conference as well as a comparison of the texts of the lisbon agreement for the protection of appellations of origin and their international registration of october 31 1958 as revised at stockholm on july 14 1967 and as amended on september 28 1979 and the geneva act of the lisbon agreement on appellations of origin and geographical indications of may 20 2015 and the regulations thereunder

the book is a study of the rules of procedure of international conferences it examines the legal basis of these rules of procedure and the history of their development since the end of the second world war the central part of the work consists of an examination of the practical application of rules of procedure at international conferences the book also compares the application of rules at conferences with the relevant practice of the un general assembly and the assemblies of international organisations such as the who and ilo the book examines whether certain procedural rules and applications have become so well established that they have by now attained the status of customary international law
