this book explains how voters evaluate women candidates who votes for them and why women comprise an ever increasing percentage of the candidate pool for elective office in the united states public opinion surveys profess strong support for female candidates yet many of these same candidates still encounter skepticism at best or hostility at worst from the public the role of candidates gender in elections is a complex one yet our understanding of how voters react to these women is often based on election specific anecdotal or hypothetical evidence voting for women is one of the first book length treatments of both how the public evaluates female candidates and whether and when people will support them at the polls it also provides a history of women and elections in the u s and analysis of contemporary data on how voting environments can influence women s success

this book concentrates on the gender gap in voting the difference in the proportion of women and men voting for the same candidate evident in every presidential election since 1980 this polling phenomenon reached a high of 11 percentage points in the 1996 election the contributors discuss the history complexity and ways of analyzing the

gender gap the gender gap in relation to partisanship motherhood ethnicity and the impact of parental status on the gender gap and the gender gap in races involving female candidates voting the gender gap analyzes trends in voting while probing how women s political empowerment and gender affect american politics and the electoral process contributors are susan j carroll erin cassese cal clark janet m clark m margaret conway kathleen a dolan laurel elder kathleen a frankovic steven greene leonie huddy mary kate lizotte barbara norrander margie omero and lois duke whitaker

the suffrage movement remains the largest autonomous political movement of women in british history the routledge companion to british women s suffrage provides a comprehensive survey of state of the art contemporary scholarship on this movement arranged across four thematic sections this volume explores the range of developments in suffrage research since the 1990s combining a range of scholars unique insights to offer a much more complete picture of the british suffrage campaign each section provides a thoroughgoing overview of different approaches that have underpinned studies of the british suffrage movement across disciplines ranging from history and gender studies to literature digital humanities and sociology sections also explore the various aspects of the material cultures of the suffrage campaign the variety of suffrage organisations and the legacies of the movement the routledge companion to british women s suffrage is an essential handbook for those studying the history sociology and politics of the suffrage movement with a valuable insight into contemporary developments in research

a history of women s voting rights in the united states beginning in 1776 when women s inability to own property denied them citizenship to 1920 when all women were given the right to vote

the first hemispheric study to trace how women in the americas obtained the right to vote women s suffrage in the americas pushes back against the misconception that women s movements originated in the united states the volume brings latin american voices to the forefront of english language scholarship suffragists across the hemisphere worked together formed collegial networks to support each other s work and fostered advances toward women gaining the vote over time and space from one country to the next the collection as a whole suggests several models by which women in the americas gained the right to vote through party politics through decree despite delays justified by women s supposed conservative politics through conservative defense of traditional roles for women and within the context of imperialism however until now historians have traditionally failed to view this common history through a hemispheric lens

these approximately 450 articles explore all topics relevant to american political campaigns elections and electoral behaviour including some cross cultural comparisons to help place american trends in a global context

provides hundreds of firsthand accounts of the movement from diary entries letters speeches and newpaper accounts

wyoming became the first american state to adopt female suffrage in 1869 a time when no country permitted women to vote when the last swiss canton enfranchised women in 1990 few countries barred women from the polls why did pro suffrage activists in the united states and switzerland have such varying success comparing suffrage campaigns in forty eight american states and twenty five swiss cantons lee

ann banaszak argues that movement tactics beliefs and values are critical in understanding why political movements succeed or fail the swiss suffrage movement s beliefs in consensus politics and local autonomy and their reliance on government parties for information limited their tactical choices often in surprising ways in comparison the american suffrage movement with its alliances to the abolition temperance and progressive movements overcame beliefs in local autonomy and engaged in a wider array of confrontational tactics in the struggle for the vote drawing on interviews with sixty swiss suffrage activists detailed legislative histories census materials and original archival materials from both countries banaszak blends qualitative historical inquiry with informative statistical analyses of state and cantonal level data the book expands our understanding of the role of political opportunities and how they interact with the beliefs and values of movements and the societies they seek to change

while quebec is well known for its provincial level party politics and thriving nationalism voting behaviour and electoral campaigning at the municipal level have failed to gain much attention to date voting in quebec municipal elections seeks to transform the state of municipal elections research in quebec through a systematic study of the 2017 montreal and quebec city elections drawing upon data from the canadian municipal election study the authors demonstrate not only the importance of quebec municipal politics but the many ways that municipal elections research can inform our broader understanding of voting behaviour in the province this volume considers the features particular to the quebec local context such as the importance of language and nationalism the effects of local party labels for down ballot races and the role of ideology voting in quebec municipal elections represents the largest ever collection of work on local elections in the province s history making a significant contribution to our understanding of the municipal voter in quebec

this book about women s political participation in the united states focuses on the effects of cultural change on gender roles and the impact of role perception on women s political attitudes and political behavior this book will be of interest to students of u s politics and women s studies pref

featuring a mix of primary source documents articles and illustrations women s america refocusing the past has long been an invaluable resource now in its sixth edition the book has been extensively revised and updated to cover recent events in american women s history it provides many new selections from leading theorists and historians and restores several readings that were cut from the fifth edition successfully classroom tested these new essays offer more material on the impact of ethnicity in american culture the roles that women have played in the creation of male dominated structures and the international dimensions of women s lives the introductory essay has been revised and the bibliography has been updated to take into account the growing body of contemporary literature in the field women s america is an essential text for courses in women s history and an ideal supplement for more general survey courses on american history book jacket

the authors take a unique approach they reject the view that women should accommodate themselves to the system and argue instead that the system has an inherent obligation to accommodate itself to women using data from local state and national levels they formulate a model of elections the authors contend that as the number of qualified women increases more will run for office and more will be elected as more women are elected the incumbency factor will assist in their reelection until the number of elected women reaches parity with that of men book cover
