he shows how they create conflicts among basic values across a broad spectrum of electoral controversies from disagreements about term limits and primaries to disputes about recounts and presidential electors

this is an open access book center for democracy studies and national resilience universitas sebelas maret warmly welcomes you to the 3rd international conference for democracy and national resilience icdnr 2023 this conference was held on september 23rd 24th 2023 we encourage participants from all over the world to discuss about election integrity a framework for guaranteeing the democracy rights and fairness in the modern era notable keynote and invited speakers will share their speeches participants will present their papers and we will provide a platform to support new opportunities and future collaboration your participation and contribution at icdnr 2023 will be greatly appreciated the problems in southeast asia that dominate them are related to electoral laws electoral procedures district boundaries voter registration party candidate registration media political finance the voting process vote count results and electoral authorities in addition the current development of globalization and modernization certainly influences the implementation of elections in a country as is known the implementation of technology in this election is a breakthrough that has been implemented in various countries based on research and data collection published by international idea trends in the use of technology by the kpu occur in several countries of the 106 countries using election technology recorded by international idea 60 of the kpu is for tabulation use 55 for voter registration 35 for voter registration biometrics fingerprints retinas etc 25 for biometrics in voter verification 20 for e voting with the development of the implementation of elections globally this is certainly an important matter to be discussed and discussed together this background will be discussed by all participants in this international conference

this work aims to promote the concept of reducing the incidence of election irregularities and requiring less intervention by the court or similar disputes resolution mechanisms the essence of this new approach is to place much greater

emphasis on drastically reducing errors through noncompliance with electoral laws and particularly rules regulations and directives which result in election irregularities this approach may require greater clarity in drafting election rules and regulations as well as more intense monitoring and warning systems developed by embs to ensure a high degree of accuracy in the preparation and polling processes this concept proceeds on the basis that in general election stakeholders wish to see the genuine results of the democratic process without diversions to the court or similar assistance being brought into action

a comprehensive look at how violence has been used to manipulate competitive electoral processes around the world since world war ii throughout their history political elections have been threatened by conflict and the use of force has in the past several decades been an integral part of electoral processes in a significant number of contemporary states however the study of elections has yet to produce a comprehensive account of electoral violence drawing on cross national data sets together with fourteen detailed case studies from around the world electoral violence corruption and political order offers a global comparative analysis of violent electoral practices since the second world war sarah birch shows that the way power is structured in society largely explains why elections are at risk of violence in some contexts but not in others countries with high levels of corruption and weak democratic institutions are especially vulnerable to disruptions of electoral peace she examines how corrupt actors use violence to back up other forms of electoral manipulation including vote buying and ballot stuffing in addition to investigating why electoral violence takes place birch considers what can be done to prevent it in the future arguing that electoral authority and the quality of electoral governance are more important than the formal design of electoral institutions delving into a deeply influential aspect of political malpractice electoral violence corruption and political order explores the circumstances in which individuals choose to employ violence as an electoral strategy

this book is an election autobiography which aims to narrate my experience of more than thirty years in the electoral field my hands on encounter with election colleagues in various aspects of electoral work will be of interest to democratic enthusiasts and stakeholders alike in many parts of the democratic world the impressions of well known election personalities and famous heads of states and governments encountered in connection with aspects of elections will be interesting to many curious readers the role of women in elections comes under

scrutiny and the growing importance of gender issues in elections noted approvingly

when voters enthusiastically turn up to cast their vote during general elections they expect that their action would meaningfully change their lives but in most of africa even when elections are held on a regular basis voters are quite often disappointed by the performance of their leaders who use the new positions as an opportunity to loot public resources and consolidate power it is almost as if elections are of minimal value to the populace notwithstanding this trend when they are free and fair general elections can be transformative they can bring into the political arena men and women of integrity committed to service and account ability inspired by the determination to have inclusive governance and the advancement of democracy kenyas 2013 general election stakes practices and outcomes asks important questions related to political participation coalition building politics of identity the international criminal court electoral systems and institutions and the judiciary the papers are written by mainly kenyan academics and civil society actors who examine the drivers of the 20 3 general elections and the sources of the mandate to lead this book is part of publications by twaweza communications on democratic practice and accountable governance in kenya

this is the inaugural volume of oxford studies in political philosophy since its revival in the 1970s political philosophy has been a vibrant field in philosophy one that intersects with jurisprudence normative economics political theory in political science departments and just war theory ospp aims to publish some of the best contemporary work in political philosophy and these closely related subfields this first volume features eleven papers and an introduction the papers address a range of central topics and represent cutting edge work in the field they are grouped into four main themes democracy political liberalism and public reason rights and duties and method

conference report comprising the keynote statements and transcript of discussions on multi race relations in south africa r focuses on racial policy issues incl trends and directions for the future considers priorities regarding democracy social change avoidance of conflict and racial discrimination etc references conference held in johannesburg 1979 jul

an effective electoral justice system is a key element in the unfolding of a free fair and genuine democratic process without a system to mitigate and manage

inequality or perceptions of inequality even the best management of an electoral process may lead to mistrust in the legitimacy of the elected government this handbook examines the concept of electoral justice and how to prevent electoral disputes using examples from countries such as afghanistan argentina bhutan bosnia and herzegovina brazil burkina faso france indonesia japan mexico the united kingdom and the united states it will assist any country with the design and implementation of an electoral justice system that best suits their situation

in the transatlantic world of the late eighteenth century easterly winds blew radical thought to america thomas paine had already arrived on these shores in 1774 and made his mark as a radical pamphleteer during the revolution in his wake followed more than 200 other radical exiles english dissenters whigs and painites scottish lads o parts and irish patriots who became influential newspaper writers and editors and helped change the nature of political discourse in a young nation michael durey has written the first full scale analysis of these radicals evaluating the long term influence their ideas have had on american political thought transatlantic radicals uncovers the roots of their radicalism in the old world and tells the story of how these men came to be exiled how they emigrated and how they participated in the politics of their adopted country nearly all of these radicals looked to paine as their spiritual leader and to thomas jefferson as their political champion they held egalitarian anti federalist values and promoted an extreme form of participatory democracy that found a niche in the radical wing of jefferson s republican party their divided views on slavery however reveal that democratic republicanism was unable to cope with the realities of that institution as political activists during the 1790s they proved crucial to jefferson s 1800 presidential victory then after his views moderated and their influence waned many repatriated others drifted into anonymity and a few managed to find success in the new world although many of these men are known to us through other histories their influence as a group has never before been so closely examined durey persuasively demonstrates that the intellectual ferment in britain did indeed have tremendous influence on american politics his account of that influence sheds considerable light on transatlantic political history and differences in religious political and economic freedoms skillfully balancing a large cast of characters transatlantic radicals depicts the diversity of their experiences and shows how crucial these reluctant émigrés were to shaping our republic in its formative years

honoré de balzac references on p 26 and 303
